

HOBART received the “Highest Reputation” award by DEUTSCHLAND

TEST

Offenburg, Germany – HOBART, world market leader for commercial warewashing, is proud to have received a special distinction: In the frame of the "Highest Reputation" survey, carried out by DEUTSCHLAND TEST and the renowned economics magazine FOCUS MONEY, the warewashing specialist from Offenburg received the grade "Excellent" in the category mechanical engineering. This makes HOBART one of the most highly regarded companies in Germany.

From March 2019 to February 2020, the IMWF "Institut für Management- und Wirtschaftsforschung" (Institute for Management and Business Research) did a survey of the 5,000 largest companies from more than 140 fields of industry in Germany. Approximately 16 million responses from digital media relating to the reputation factors "performance through sustainability", "management performance", "employer performance", "economic performance" and "product and service performance" were recorded and evaluated. "We are very happy about this award and feel proud that the HOBART brand enjoys such a high reputation among customers and consumers. The prize confirms that we are on the right path and taking the right actions," says Manfred Kohler, Vice President Sales and Manufacturing of HOBART GmbH.
